ALSO, for those of you wishing to buy **Blueberry Bushes** so you can grow your own berries, we will be selling them again in 2017. For best pricing, please place your order before February 1, 2017, for delivery in early May. Price will be determined later based on age of bush, size of shipment, and freight charges.

These will be 3 or 4 year-old bushes, which could produce a small amount of berries the following year. Price includes detailed instructions from “Farmer Ron”.

We will also be selling **our own** new **screened, chemical-free** and **manure-free compost**, as well as small or large amounts of natural fertilizers and soil amendments again in 2017, to assist you in using the appropriate materials for your bushes/plants.

Once again, we will also be selling **strawberry, raspberry, blackberry** plants, **apple, peach, pear & cherry** trees, **rhubarb** and **asparagus** roots, and, numerous **vegetable and fruit starter plants** for your garden. Please try to place your order by Feb 1 2017.

* - please call us at 603-580-1612 before coming to pick up your items.

We look forward to hearing from you. Have a great Christmas!
