ALSO, for those of you wishing to buy **Blueberry Bushes** so you can grow your own, we will be selling them again in 2010. Please place your order before February 1, 2010, for delivery in early May. Price will be determined later but probably be approx \$28.00 ea. These will be 3 or 4 year-old bushes, which could produce a small amount of berries the following year. Price includes verbal instructions from "Farmer Ron".

We will also be selling small or large amounts of natural fertilizers and soil amendments again in 2010, to assist you in using the appropriate materials for your bushes/plants.

* - please call us at 603-580-1612 before coming to pick up your items.

We look forward to hearing from you.
